

Washington Service Corps

Serve today for a better tomorrow with AmeriCorps

Washington Service Corps places AmeriCorps members in non-profits, government agencies, community and faith-based organizations. Our members serve under-resourced community members in programs that:

- Tutor children
- Restore natural habitat
- Provide health education
- Address financial literacy
- Support access to nutrition
- And more

Benefits of Serving

- Monthly stipend
- Career exploration and development
- Education Award at end of successful term
- Basic health insurance coverage
